## Support For Right To Life: An Invitation\*

Our District Deputy, Tom Eulitt, reports that the State Council is asking for all Councils to consider participation in the March for Life in Washington D.C. next January. They are asking for support for one of our members to attend the March with others representing the Indiana Knights of Columbus. "If every Council sent one Knight each, there would be over 170 members attending." There are plans in the works by the State Council to send as many as 10 buses to the event.

"The threat to our Catholic Faith by the legalization of abortion is grave indeed and Catholics, Knights in particular, need to stand up for their Church." Our Council needs to participate if at all possible. Council 560 has been Pro Life since abortion was legalized and we continue to support the cause. If you are interested in possibly attending the March to Washington D.C. representing the Council, contact Tom about it. Details will be announced in the near future.

## Special Council Outing: Baseball Game in Cincy

Sunday, September 9<sup>th</sup> was a beautiful day for a baseball game. The day began at the hall at 8 am as 41 Knights, spouses, and guests boarded the bus for the trip to Cincinnati for a special activity sponsored in part by the Council. The game was enjoyed by all in the private Duke Energy Power Alley Patio located just outside center field (see picture below taken by Lynn Shipley).

The Reds played the Astros losing to them by a score of 5 to 1. Even though the Reds lost, our "Power Alley Patio" fans declared that it was a great trip and they thank the council for making it possible. The bus arrived back in Muncie in early evening...what a day!

## Gibault Leadership Visits Council

The September 18<sup>th</sup> council meeting had special visitors from Gibault Childrens Services. The new Gibault CEO, Ms Michelle Madley and Development Director, Mr Zach Pies gave very informative and meaningful presentations. Gibault, not unlike our own council, is experiencing some "belt tightening" during this period of economic challenge. They were enthusiastic about Gibault continuing to serve troubled youth at the Knights of Columbus owned campus in Terra Haute. Many good questions were posed by knights during the presentations, an obvious showing of interest and enthusiasm for Gibault's good work. A highlight of the visit was presentation of a council donation by our Gibault Envoy, Bob Heintzelman.
